

SPRINT-1

Team ID	PNT2022TMID53651
Project Name	Project – Industry Specific Intelligent Fire Management system

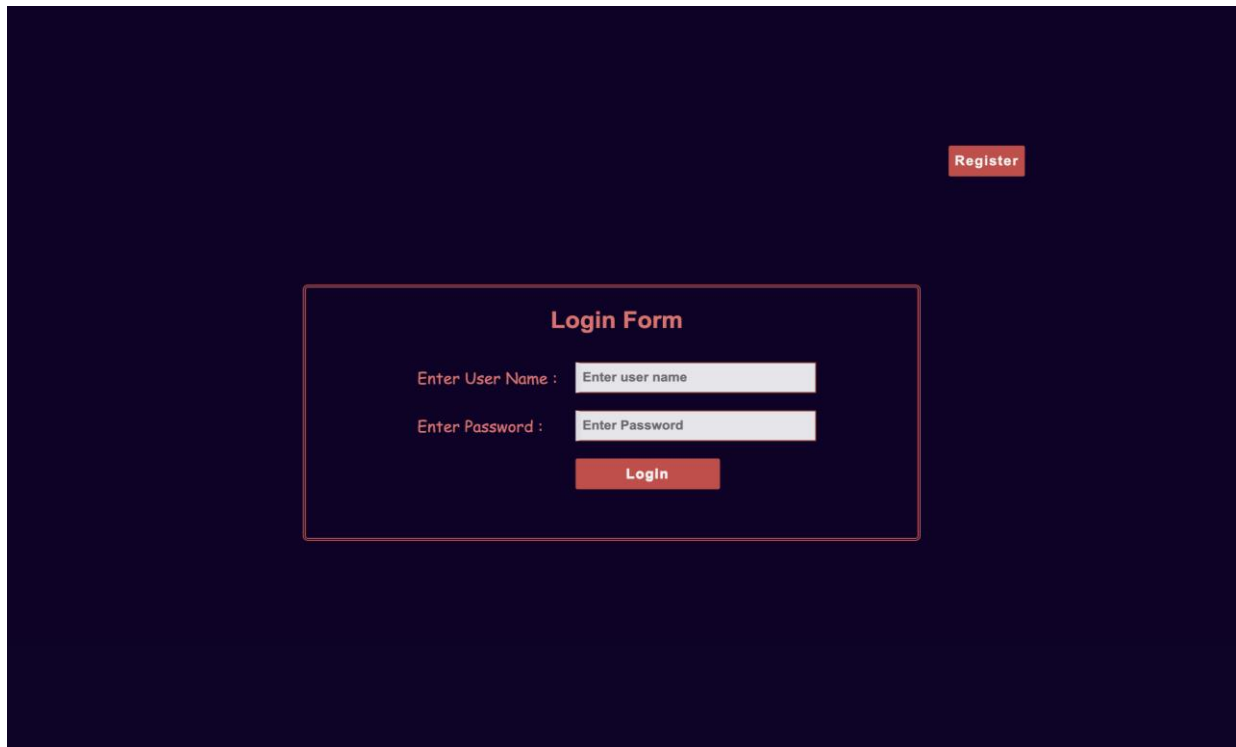

Users can register for the application by entering their Username, Email, Password.

A screenshot of a web application's registration form. The form is titled "Registration Form" in bold black text. It contains three input fields: "Enter User Name :", "Email:", and "Enter Password :". Each field has a placeholder text "Enter user name" or "Enter Password". Below the fields is a red "Register" button. In the top right corner of the page, there is a red "Login" button.

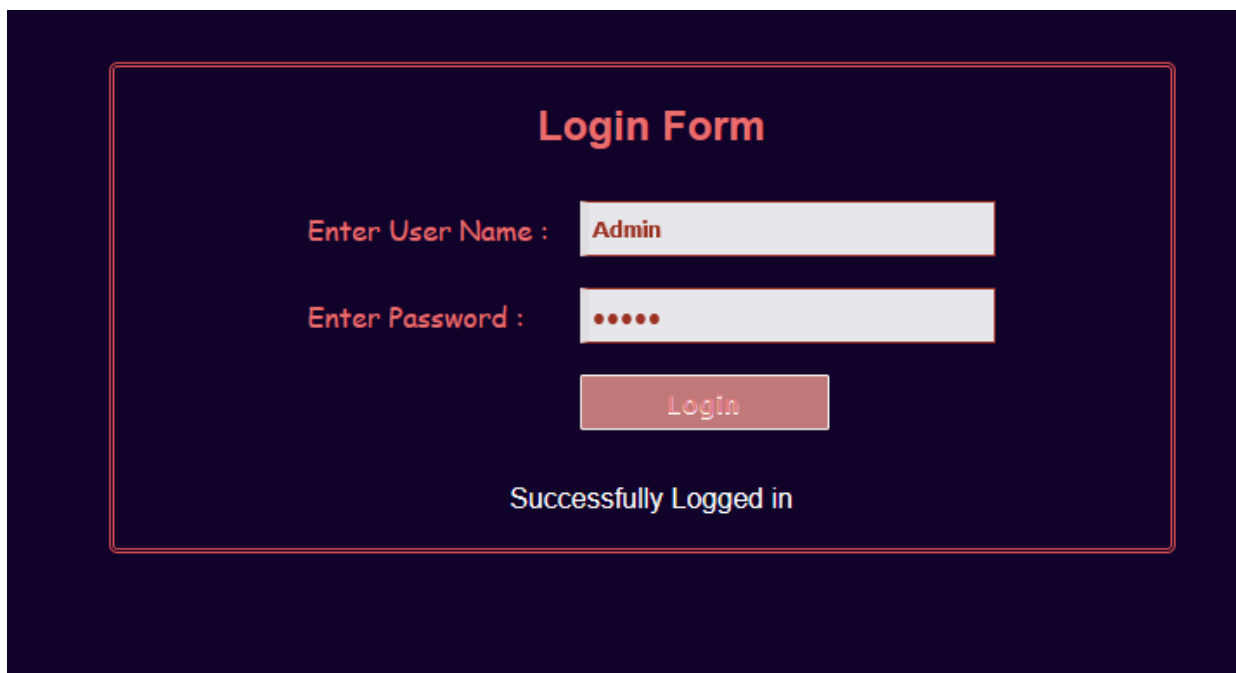

User will receive a confirmation email once they have registered for the application

A screenshot of a confirmation email. The email is addressed to "to me" and is from "Hello Siddharth". The body of the email says: "Thank you for completing your registration with our Fire safety application. This email serves as a confirmation that your account is activated and you can regularly check the Temperature value, Gas values in your Industry by using the Fire safety application. Whenever the values are above the threshold you will receive a notification. For any queries please do not hesitate to contact us. Regards, FSA team." At the bottom, there are two buttons: "Reply" and "Forward".

Users can login to the application through Username and password

This screenshot shows the initial state of the login form. It features a dark blue background. In the top right corner, there is a red button labeled "Register". Centered on the page is a white rectangular box with a thin red border. Inside this box, the title "Login Form" is displayed in red. Below the title, there are two input fields. The first is labeled "Enter User Name :" and contains the placeholder text "Enter user name". The second is labeled "Enter Password :" and contains the placeholder text "Enter Password". Below these fields is a red button labeled "Login".

This screenshot shows the login form after a successful login. The background remains dark blue. The central white box with the red border now contains the title "Login Form" in red. The "Enter User Name :" field now displays the text "Admin". The "Enter Password :" field displays five red dots, indicating a masked password. Below these fields is a red button labeled "Login". At the bottom of the white box, the text "Successfully Logged in" is displayed in red.
